Basic Information

- Place of Origin: shandong china
- Brand Name: Defender
- Certification: CE ISO/IS90001
- Model Number: Alloy 6063/6061/6005/6060, T5/T6
- Minimum Order Quantity: 10m
- Price: consult
- Packaging Details: Wooden box
- Delivery Time: 15day
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 7day

Product Specification

- Maintenance: Low Maintenance
- Style: Modern
- Surface: Powder Coated
- Assembly: Easy
- Material: Aluminum
- Installation: Surface Mount
- Finish: Powder Coated
- Color: Customization
- Suitable For: Indoor/Outdoor Use
- Design: Straight
- Width: Customization
- Thickness: Customization
- Height: Customization
- Durability: Weather Resistant
- Highlight: outdoor modern metal railing,

Product Description

Decorative black aluminum fence privacy fence laser cutting

Aluminum guardrails have many significant advantages. It has high strength, can withstand various external impacts, is sturdy and durable, and can maintain good appearance and performance even after long-term use. It has excellent corrosion resistance and can still effectively resist erosion in outdoor environments such as rain and sunlight, with extremely low daily maintenance requirements. Aluminum guardrails have exquisite shapes, diverse patterns, and strong decorative properties, which can significantly enhance the overall aesthetics and grade of the building. It is relatively lightweight, easy and fast to install, and can save labor and time costs. Excellent performance in terms of safety, able to provide reliable safety protection for the venue. Meanwhile, aluminum guardrails have good environmental friendliness because aluminum is a recyclable material. In addition, its maintenance cost is low and only requires regular cleaning. Good fire resistance, good stability, and will not deform due to temperature changes and other factors. Moreover, its rich and diverse colors can meet the personalized needs of different users.

Types of fences	grids and doors, safety fences, lane gate fences, fence accessories, fence doors, fence hardware, fence boards, fence posts, fences, wire mesh fences, fence post caps

Advantages:

Acoustic properties: In addition to reducing noise transmission, laser-cut fences can be designed with acoustic properties in mind. By strategically placing sound-absorbing materials within the fence panels, you can further enhance noise reduction and create a more peaceful environment within your property.

Branding and personalization: Laser-cut fences offer an opportunity for branding and personalization. For commercial properties, the fence panels can be customized with company logos or branding elements to create a cohesive and visually appealing exterior. For residential properties, personalized designs, family names, or meaningful symbols can be incorporated into the fence to add a unique touch.

Versatility:

Lighting effects: Laser-cut fences can be enhanced with lighting effects beyond just integrated lighting. By strategically placing external lighting fixtures, such as spotlights or uplights, you can create interesting shadows and highlights on the fence, further accentuating its design and making it a focal point during nighttime.

Maintenance and longevity: Proper maintenance is essential for the longevity of laser-cut fences. Regular cleaning, inspection for any signs of damage or wear, and addressing any required repairs promptly will help ensure the fence retains its beauty and functionality over time. Following the manufacturer's guidelines and recommendations for maintenance is crucial to preserve the integrity of the fence.
