Applications:

One of the main application occasions for this fence is in the installation of decorative metal railings. The fence's sleek and modern design makes it an excellent choice for enhancing the look of any property. The flat noodles size of the fence comes in three options: 65*16*1.2 mm, 100*16*1.2 mm, and 150*16*1.2 mm. Additionally, the individual panel size comes in 4*7', 5*8', or can be customized to meet customer requirements. The low maintenance of this fence makes it a great option for those who value their time and want to have a fence that looks great with minimal upkeep.

Another scenario in which this fence could be used is for a 5 foot aluminum fence. With its sturdy construction, the fence is perfect for creating a barrier around a property. The assembly is unassembled, so it is easy to transport and set up on site. The fence's supply ability is 7 days, and delivery time takes around 15 days. The fence is packaged in a wooden box for safe transportation to its destination. Defender's Aluminum Fence has a variety of payment options available, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram. If you are interested in purchasing this fence or have any questions about it, please feel free to contact us. Our team will be happy to help you find the perfect fence for your needs.

Support and Services:

Our Aluminum Fence product comes with a comprehensive Technical Support and Services package to ensure you have a smooth and hassle-free experience with our product. Our technical support team is available to answer any questions you may have regarding the installation, maintenance, and repair of the fence. We also offer training and guidance to help you get the most out of your fence and ensure it lasts for years to come.

In addition, we offer a range of services to help you customize your fence to your specific needs. From custom colors to specialized hardware, we can work with you to create a fence that meets your unique requirements. We also offer repair and replacement services for any damaged or worn components of your fence, ensuring that it remains in top condition.
