Product Description

Product Description:

One of the standout features of this aluminum fence product is its surface mount installation, which makes it easy to install and ensures that it is securely fastened to the ground. This means that you can enjoy maximum stability and durability for years to come. Another great feature of this aluminum fence product is its individual panel size, which can be customized to meet your specific requirements. Whether you need a 4**7' or 5**8' panel size, or something completely unique, we can help you create the perfect aluminum fence for your needs.

When it comes to color, this product offers complete customization. You can choose from a wide range of colors to ensure that your aluminum fence perfectly matches the aesthetic of your outdoor space. Whether you want something bold and eye-catching or something more understated and subtle, we have a color that will suit your needs.

Finally, this product is made from high-quality materials, ensuring that it is both strong and durable. The aluminum fence rails are designed to withstand even the harshest outdoor conditions, making them perfect for use in a wide range of environments.

Overall, if you are looking for a modern and stylish aluminum fence product that offers maximum durability and customization, look no further than the Outdoor Modern Metal Railing Design Aluminum Balcony Railing/Staircase Railing/Deck Railing and Handrails. Whether you need a 5 foot aluminum fence for your home or an industrial aluminum fence for your business, this product is sure to meet your needs.

Applications:

The Defender Aluminum Fence is an ideal product for decorating outdoor spaces with its modern metal railing design. The product can be used in various applications, including residential, commercial, and industrial settings. The product is available in different types, such as grids and doors, safety fences, lane gate fences, fence accessories, fence doors, fence hardware, fence boards, fence posts, fences, wire mesh fences, and fence post caps.

The product is designed with a powder-coated finish, which gives the product a smooth and polished look. The individual panel size available for Defender Aluminum Fences is 4'7"5'8"/Customer requirements. The product is delivered in an unassembled state, but it is easy to assemble without any professional assistance.

The Defender Aluminum Fence is an excellent choice for those who want to add decorative metal railings to their outdoor spaces. The product is also suitable for those who need aluminum fence rails for their commercial or industrial properties. The product is durable and long-lasting, and it comes with a supply ability of 7 days and a delivery time of 15 days.

The product is packed in a wooden box to ensure that it reaches the customer safely. The payment terms for Defender Aluminum Fences include L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

The product is ideal for various application occasions and scenarios, such as:

Residential properties - to fence off gardens, backyards and patios

Commercial properties - to secure parking lots, storefronts and business properties

Industrial properties - to protect factories, warehouses, and other industrial properties

Public areas - to create barriers and safety fences in public places such as parks, playgrounds, and schools

Deck railing and handrail - to create decorative and safe outdoor spaces

Staircase railing - to provide safety and style to any staircase

3 foot aluminum fence - perfect for those who need a low fence to secure their property

With Defender Aluminum Fences, customers can enjoy a stylish and durable fencing solution that provides security and elegance to any outdoor space.

Support and Services:

Our technical support team is available to answer any questions you may have about our aluminum fence products. We can provide guidance on installation, maintenance, and repair of your fence. Our team is knowledgeable and experienced, and we are committed to providing excellent service to our customers.

In addition to technical support, we also offer a variety of services to help ensure that your aluminum fence is properly installed and maintained. These services may include:

Installation support and guidance

On-site consultations

Maintenance and repair services

Product customization

Warranties and guarantees

Our goal is to make your experience with our aluminum fence products as seamless and stress-free as possible. Please do not hesitate to contact us if you have any questions or concerns about our products or services.

Packing and Shipping:

Product Packaging:

All fence components will be securely packaged in a cardboard box.

Posts will be packaged separately from panels to prevent damage during transportation.

Each box will be labeled with the product name and SKU number for easy identification.

Shipping:

Orders will be shipped via our standard ground shipping method.

Customers will receive a tracking number once the order has shipped.

Shipping times may vary depending on the destination, but typically range from 3-7 business days.

Please note that additional shipping charges may apply to orders shipped to Alaska, Hawaii, or internationally.
