deck 5 ft aluminum fence panels

## Product Description

### Product Description:

The Aluminum Fence has a powder-coated surface and finish, which ensures that it is resistant to scratches, rust, and UV rays. This coating also makes it easy to clean and maintain, so you can enjoy a beautiful fence without the hassle of constant upkeep. Our Aluminum Fence panels come in various sizes, including 4' x 7', 5' x 8', and can be customized to meet any customer requirements. This means that you can choose the perfect height and width for your property, whether you need a 3 foot aluminum fence, 4 foot aluminum fence, or a 5 foot aluminum fence.

The flat noodles of the Aluminum Fence come in 65 x 16 x 1.2 mm, 100 x 16 x 1.2 mm, and 150 x 16 x 1.2 mm sizes, ensuring that you have a wide range of options to choose from. These flat noodles are sturdy and can withstand harsh weather conditions, making them ideal for outdoor use.

In summary, our Aluminum Fence is a reliable and versatile product that offers excellent value for money. With its powder-coated surface and finish, customizable panel sizes, and durable flat noodles, it is the perfect choice for anyone looking for an attractive and long-lasting fencing solution.

## Applications:

Defender's Aluminum Fence product (Model Number: Alloy 6063/6061/6005/6060, T5/T6) is a versatile and durable fencing option suitable for various occasions and scenarios. It is certified with CE ISO/IS90001 and originates from Shandong, China. The minimum order quantity is 10m, and pricing is available upon consultation. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram, with a supply ability of 7 days and a delivery time of 15 days. Packaging details include a wooden box.

The Aluminum Fence product comes in black, white, gray, wood grain, and customizable colors, making it an ideal fit for a range of applications. The surface treatment options include anodizing, powder coating, and wood finishes, adding to its aesthetic appeal. It is made with high-quality aluminum material, which ensures longevity and resistance to harsh weather conditions.

One of the most popular uses for this product is as a 5 foot aluminum fence for residential areas. Its privacy modern style and sleek design make it an attractive option for homeowners looking to enhance the security and privacy of their property. The fence's decorative metal railings add an elegant touch to any landscape, making it an excellent option for gardens, patios, and pool areas.

The Aluminum Fence product is also suitable for commercial and industrial settings. Its robust construction and durability make it ideal for use in warehouses, factories, and parking lots. The 3 rail aluminum fence is a popular option for these settings, providing a sturdy and secure boundary for large areas.

The Aluminum Fence product's surface mount installation makes it easy to install and maintain, saving time and money in the long run. Its certification and high-quality materials ensure that it meets industry standards, providing customers with peace of mind.
