Product Description

Product Description:

Our 3 rail aluminum fence design makes it easy to install and customize to fit your specific needs. Whether you need to enclose your pool area or create a boundary for your backyard, this fence can be tailored to your exact measurements. One of the best things about our aluminum fence is that it is low maintenance. Unlike traditional wood fences, you won't have to worry about repainting or staining every year. Simply wash it down with a hose and it will look as good as new. Plus, the powder-coated surface makes it resistant to fading, chipping, and peeling, so you can enjoy your fence for years to come without worrying about its appearance. Our aluminum fence also comes in a variety of colors to choose from, allowing you to fully customize it to match your existing outdoor décor. Whether you prefer a classic black or a bold blue, we have a color that will suit your style. The fence rails are also made from high-quality aluminum, ensuring that they are just as durable and long-lasting as the rest of the fence. Plus, the 3 rail design provides extra stability and security, making it a great choice for properties with children or pets. In summary, our 4 foot aluminum fence is a great investment for any property. Its low maintenance, powder-coated surface, and customizable color options make it a practical and stylish choice. Plus, the 3 rail design and durable aluminum material ensure that it will last for years to come.

Applications:

One of the key features of the Aluminum Fence is its customization options. The color can be tailored to the customer's specific needs, ensuring that it will blend seamlessly into any environment. Additionally, the surface treatment can be done in Anodizing, Powder Coating, or Wood, further adding to its versatility. The flat noodles size comes in 65*16*1.2 mm, 100*16*1.2 mm, and 150*16*1.2 mm options, allowing customers to choose the best fit for their needs.

The Aluminum Fence is ideal for a variety of occasions and scenarios. For residential settings, the 4 foot aluminum fence is perfect for keeping pets and children safe, while also adding a stylish touch to the yard. For commercial settings, the 8 foot aluminum fence can be used to secure property and add a level of professionalism to the establishment. Additionally, the industrial aluminum fence is perfect for warehouses and manufacturing plants, where safety and security are of the utmost importance.

Installation is made easy with the surface mount option, which allows for quick and efficient installation without the need for digging or other complex procedures. The material, aluminum, is lightweight yet durable, making it easy to handle and long-lasting.

Support and Services:

Packing and Shipping:

Product Packaging:

The aluminum fence product will be packaged in durable cardboard boxes. Each box will contain the fence panels, posts, and all necessary hardware for installation. The boxes will be labeled with product information and handling instructions to ensure safe delivery.

Shipping:

The aluminum fence product will be shipped via a reputable carrier to ensure prompt and safe delivery. Shipping charges will vary depending on the destination and size of the order. Customers will receive a tracking number once their order has been shipped, so they can track their package's progress.
