Product Description

Product Description:

Our aluminum fence rails are made from high-quality materials to ensure durability and longevity. They are coated with a black finish, which adds to the modern look of the fence. The black aluminum fence rail is perfect for those who want a fence that stands out and makes a statement.

This fence comes unassembled, which makes it easy to put together and install. It also allows for customization and flexibility in terms of the size and layout of the fence. Individual panel sizes are available in 4'*7', 5'*8', and can also be customized to meet customer requirements.

The fence is available in other color options as well, including white, gray, wood grain, and customizable options, making it easy to match any outdoor décor or color scheme.

Our 5 foot aluminum fence is perfect for those who want a fence that provides privacy without blocking the view completely. The fence panels are designed to be close together, which ensures maximum privacy while still allowing for some visibility.

The Outdoor modern metal railing design aluminum balcony railing/staircase railing/deck railing and handrails is the perfect addition to any outdoor space. Whether you are looking for a fence for your home, business, or community, this fence is sure to meet your needs.
