Product Description

Product Description:

Available in three different flat noodle sizes – 65*16*1.2 mm, 100*16*1.2 mm, and 150*16*1.2 mm – our aluminum fence rail offers flexibility in terms of design and function. Whether you need a garden fence, highway fence, sports fence, or farmland fence, we have the perfect size for your specific needs.

Our aluminum fence rail is easy to install with a surface mount option, making it an excellent choice for those who want a hassle-free installation process. Furthermore, its privacy modern style provides a decorative touch that enhances the look of your outdoor space.

With its durable and sturdy material, our black aluminum fence rail is an excellent choice for those who want a long-lasting and low-maintenance fence. It is also resistant to rust, decay, and corrosion, making it ideal for any weather condition.

Our decorative metal railings are designed to provide an elegant and modern look for your property. Its sleek black finish and modern design will complement any outdoor space, adding an element of sophistication and security.

Whether you need a fence for your garden, highway, sports field, or farmland, our aluminum fence rail is the perfect solution. With its durable material, easy installation, and stylish design, you can ensure that your property is secure and visually appealing.
