Product Description

Aluminum Fence 5 Foot Sports Barrier with Strong and Durable Structure

Product Description:

Constructed from industrial-grade aluminum, this fence is built to last and withstand the elements. The 5 foot height provides added security and privacy, while the aluminum fence rail adds a sleek and modern touch.

One of the standout features of this fence is the option for customization. Whether you need a specific length or color, we can work with you to create a fence that meets your exact specifications. Plus, with a minimum order quantity of just 10 meters, it's easy to order the right amount of fencing for your project.

Another great attribute of this fence is the aluminium horizontal slat fencing, which provides a clean and contemporary look. The horizontal slats also offer added privacy and security, making this fence a popular choice for residential and commercial customers alike. With a supply ability of just 7 days, you won't have to wait long to enjoy the benefits of this high-quality aluminum fence. Whether you're looking to protect your property or simply enhance its appearance, our customizable 2 rail aluminum fence is the perfect solution.

In summary, our aluminum fence product is a top-of-the-line option for those seeking a durable, customizable, and stylish fence for their garden or outdoor area. With features like the aluminium horizontal slat fencing and aluminum fence rail, this fence offers both form and function. Plus, with a minimum order quantity of just 10 meters and a supply ability of 7 days, it's easy to get the fence you need in a timely manner.
