## Applications:

The Aluminum Fence product is ideal for use in a variety of settings, including residential, commercial, and industrial environments. It can be used as a garden fence, highway fence, sports fence, or farmland fence. Its customizable design options make it easy to fit any specific need, and its assembly is unassembled.

The 5 Foot Aluminum Fence is a popular choice for homeowners and businesses alike, due to its sleek design and durability. Its black aluminum fence rail is powder coated, ensuring long-lasting protection against rust and corrosion. The product is also available in white aluminum fence color, allowing customers to choose the most suitable color for their needs.

The Industrial Aluminum Fence is perfect for use in industrial settings, providing a strong and secure barrier for factories, warehouses, and other industrial premises. The high-quality aluminium horizontal slat fencing provides a modern and stylish look, while also maintaining optimal security levels.

Customers can rest assured that this product is of the highest quality, thanks to its CE ISO/IS90001 certification. The product can be supplied within 7 days, and delivery time is typically 15 days. The packaging details include a wooden box, ensuring that the product arrives in good condition.

Payment terms for the Aluminum Fence product include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. This ensures that customers can choose the payment method that is most convenient for them. Whether you need a lowes aluminum fence or a powder coated aluminum fence, Defender's Aluminum Fence product is the perfect solution for your fencing needs.
