## Applications:

The aluminum fence is suitable for both residential and commercial applications. The aluminum fence rails are perfect for use in gardens, swimming pools, and other outdoor areas. The decorative aluminum fence adds an elegant touch to any property, making it ideal for use in parks, hotels, and public spaces. The aluminium slat fencing is a popular choice for creating a secure and private outdoor area without compromising on style.

The aluminum fence is easy to install and comes unassembled, making it perfect for DIY enthusiasts. It can be assembled using standard tools and requires no special equipment. The fence is lightweight and easy to handle, making it ideal for use in areas where heavy machinery is not accessible.

The aluminum fence is made from high-quality materials that are resistant to corrosion and weathering. It requires minimal maintenance and can be cleaned easily with soap and water. The fence is also eco-friendly, as it can be recycled at the end of its life cycle.

Defender's aluminum fence has a supply ability of 7 days and a delivery time of 15 days. The packaging details include a wooden box for safe transportation. Payment terms are flexible and include options such as L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

## Support and Services:

Our Aluminum Fence product comes with technical support and services to ensure a smooth installation process and proper functioning of the fence. Our team of experts is available to answer any technical questions and provide guidance on installation, maintenance, and repair. We also offer warranty services for any defects or malfunctions that may occur. Additionally, we provide customization options to tailor the fence to your specific needs and preferences.

## Packing and Shipping:
