Customized aluminum fence is perfect for both residential and industrial use. The aluminium slat fencing is made of high-quality alloy 6063/6061/6005/6060, T5/T6 which is known for its durability. The fence is available in various sizes and surface treatments like anodizing, powder coating, and wood which gives it a sleek look. The industrial aluminum fence comes with comprehensive technical support, maintenance services, repair services, and product warranties. It is manufactured in Shandong, China and requires a minimum order quantity of 10 meters.

Applications:

The aluminium slat fencing can be used in a variety of places like residential areas, commercial complexes, parks, and gardens. The fence provides security without compromising on the aesthetic appeal. The decorative aluminum fence is available in various colors, which can be customized according to the customer's preferences.

Defender's aluminum fence has a minimum order quantity of 10m and the price can be consulted. The payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability of the fence is 7 days, making it an ideal choice for urgent requirements. The delivery time is 15 days, and the fencing is packaged in wooden boxes for safe transportation.

The surface treatment of the fence includes Anodizing/Powder Coating/Wood, which makes the product resistant to wear and tear. The fence is perfect for events like weddings and outdoor parties, providing privacy and security.

Overall, Defender's Customized aluminum fence is a reliable and durable option for customers who want a secure and visually appealing fencing solution.
