

## Silver Aluminum Profiles with Customized Width and Wood Grain Painting

### Our Product Introduction

for more products please visit us on [alumfencing.com](http://alumfencing.com)

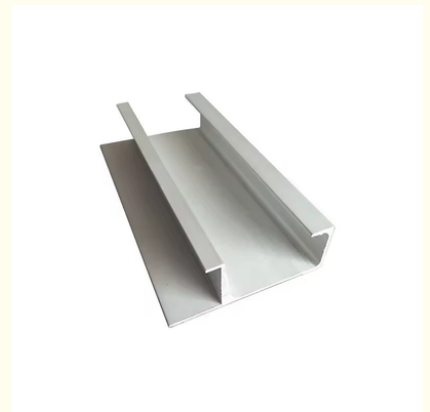

#### Basic Information

- Place of Origin: shandong china
- Brand Name: Defender
- Certification: CE ISO/IS90001
- Model Number: Alloy 6063/6061/6005/6060, T5/T6
- Minimum Order Quantity: 1t
- Price: 1 - 19 t 3,000.00 \$ 20 - 99 t 2,600.00 \$ 100 - 999 t 2,400.00 \$ >= 1000 t 2,000.00 \$
- Packaging Details: 1. Expose surface: Packed with blank protective film or customized 2. Outside protection: Heat shrink film to cover and protect. / Kraft paper to use. 3. Packed according to customers' requirement. 9~11tons/20'GP container , 20~28tons/40'HQ container.
- Delivery Time: 10days
- Supply Ability: 2500 Ton/Tons per Month

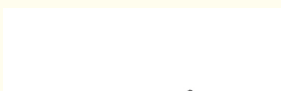

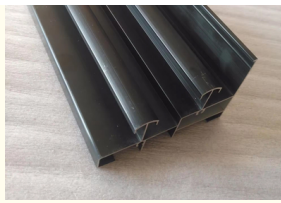

#### Product Specification

- Production Process: Extrusion, Cutting, Drilling, Milling, Etc.
- Length: Customized
- Material: Aluminum Alloy
- Product Name: Anodized Aluminum Oxide Profiles For Photo Frames, Aluminum Glass Profiles
- Thickness: Customized
- Product Category: Aluminum Profiles
- Color: Silver
- Usage: Construction, Industrial, Transportation, Etc.
- Highlight: silver aluminum profiles, silver fence accessories, customized aluminum profiles

## Product Description

### Product Description:

Our Extrusion Aluminum Profiles are versatile and can be used for a wide range of applications, including windows, doors, curtain walls, heat sinks, and more. These profiles are custom extruded aluminum profiles, which means that we can create a product that is tailored to your specific needs. Our team of experts can help you choose the right profile for your project and guide you through the process.

The production process for our Extrusion Aluminum Profiles includes extrusion, cutting, drilling, milling, and more. Our state-of-the-art equipment ensures that the profiles are manufactured to the highest standards of quality and precision. We use only the best materials to create our products, ensuring that they are durable and long-lasting.

Our Extrusion Aluminum Profiles are the perfect solution for your construction, industrial, transportation, or other project needs. With our custom extruded aluminum profiles, you can be sure that you are getting a product that is tailored to your specific requirements. So, whether you need a profile for windows, doors, curtain walls, heat sinks, or any other application, we have you covered.

### Features:

Product Name: Aluminum profiles

Thickness: Customized

Material: Aluminum Alloy

Width: Customized

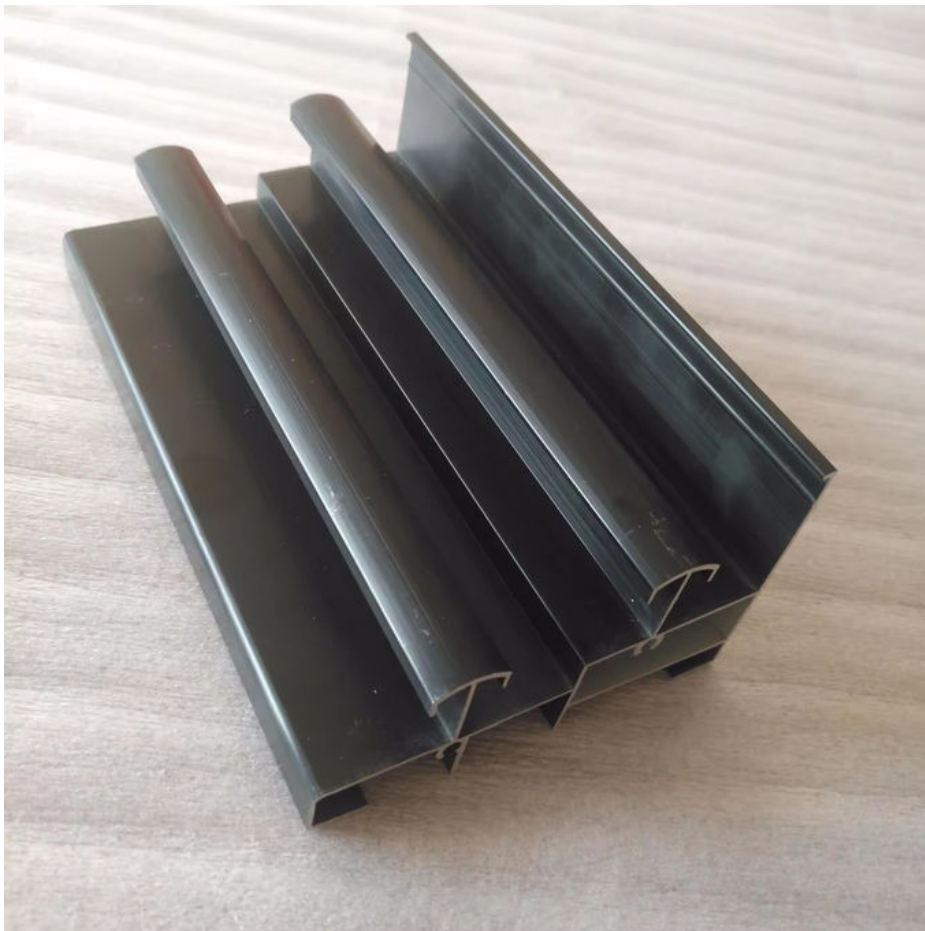

Shape: Customized

Colour: All Kind

Keywords: standard extruded aluminum profiles, standard aluminum profiles, standard aluminum profiles

### Technical Parameters:

Technical Parameter	Description
Product Category	Aluminum profiles
Section Shapes	I, U, T, C, Z, L, H, square, round, flat, hollow, t-slot, and other complicated shapes by custom design
Thickness	Customized
Color available	Silver, Bronze, champagne, Matte, Natural for anodizing, RAL for powder coating, All Kind
Usage	Construction, Industrial, Transportation, Etc.
Features	Lightweight, Strong, Corrosion-resistant
Color	Silver
Surface Treatment	Anodized
Length	Customized

### **Applications:**

Defender Aluminum profiles, made of Alloy 6063/6061/6005/6060 with T5/T6 temper, are ideal for a variety of applications. These extrusion aluminum profiles are perfect for both standard and custom extruded aluminum profiles, with a minimum order quantity of 1 ton. Our profiles are of high quality and CE ISO/IS90001 certified, with a place of origin in Shandong, China. We offer competitive prices starting from \$3,000.00 for 1-19 tons, \$2,600.00 for 20-99 tons, \$2,400.00 for 100-999 tons, and \$2,000.00 for 1000 tons or more. With a supply ability of 2500 Ton/Tons per month, we ensure timely delivery within 10 days.

Our aluminum profiles are available in various section shapes, including I, U, T, C, Z, L, H, square, round, flat, hollow, t-slot, and other complicated shapes by custom design. The thickness and width can also be customized to suit your needs.

The lightweight, strong, and corrosion-resistant features of our aluminum profiles make them suitable for various application occasions and scenarios. They are perfect for windows, doors, curtain walls, heat sinks, and other applications.

We ensure that our aluminum profiles are protected and packed properly for shipment. We pack the exposed surface with blank protective film or customized, and use heat shrink film or kraft paper for outside protection. We also pack according to customers' requirements, with 9~11tons/20'GP container and 20~28tons/40'HQ container.

### **Support and Services:**

Our aluminum profiles product technical support team is available to assist you with any questions or issues you may have. Our team is experienced in the design, development, and manufacturing of aluminum profiles and can provide guidance on product selection, customization, and installation. Additionally, we offer a range of services including profile cutting, punching, and machining to ensure that our products meet your specific needs. Our goal is to provide you with the highest level of customer satisfaction and quality service.

### **Packing and Shipping:**

#### **Product Packaging:**

Aluminum profiles will be packed in bundles with plastic film wrapped around them.

Each bundle will be secured with steel straps to prevent any damage during transportation.

The bundles will be labeled with the product details and the customer's information.

#### **Product Shipping:**

The aluminum profiles will be shipped via a reliable and efficient transportation service.

The shipping method will depend on the quantity and destination of the order.

The customer will be provided with a tracking number to monitor the shipment's progress.

The delivery time will vary depending on the shipping method and the location of the customer.

### **FAQ:**

**Q:** What is the brand name of the aluminum profiles?

**A:** The brand name of the aluminum profiles is Defender.

**Q:** What is the model number of the aluminum profiles?

**A:** The model number of the aluminum profiles is Alloy 6063/6061/6005/6060, T5/T6.

**Q:** What certifications do the aluminum profiles have?

**A:** The aluminum profiles have CE ISO/IS90001 certification.

**Q:** What is the minimum order quantity for the aluminum profiles?

**A:** The minimum order quantity for the aluminum profiles is 1 ton.

**Q:** What is the price range for the aluminum profiles?

**A:** The price range for the aluminum profiles is as follows: - 1 - 19 t: \$3,000.00 per ton - 20 - 99 t: \$2,600.00 per ton - 100 - 999 t: \$2,400.00 per ton - >= 1000 t: \$2,000.00 per ton

**Q:** What is the supply ability of the aluminum profiles?

**A:** The supply ability of the aluminum profiles is 2500 Ton/Tons per month.

**Q:** What is the delivery time for the aluminum profiles?

**A:** The delivery time for the aluminum profiles is 10 days.

**Q:** What are the packaging details for the aluminum profiles?

**A:** The packaging details for the aluminum profiles are: - Expose surface: Packed with blank protective film or customized - Outside protection: Heat shrink film to cover and protect. / Kraft paper to use. - Packed according to customers' requirement. - 9~11tons/20'GP container, 20~28tons/40'HQ container.
