

## Galvanized Steel Fence Cover Post Accessories Decorative Garden Fence Metal Fence Post Covers

### Our Product Introduction

for more products please visit us on [alumfencing.com](http://alumfencing.com)

#### Basic Information

- Place of Origin: shandong china
- Brand Name: Defender
- Certification: CE ISO/IS90001
- Model Number: Alloy 6063/6061/6005/6060, T5/T6
- Minimum Order Quantity: 1t
- Price: 1 - 19 t 3,000.00 \$ 20 - 99 t 2,600.00 \$ 100 - 999 t 2,400.00 \$ >= 1000 t 2,000.00 \$
- Packaging Details: 1. Expose surface: Packed with blank protective film or customized 2. Outside protection: Heat shrink film to cover and protect. / Kraft paper to use. 3. Packed according to customers' requirement. 9~11tons/20'GP container , 20~28tons/40'HQ container.
- Delivery Time: 10days
- Supply Ability: 2500 Ton/Tons per Month

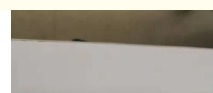

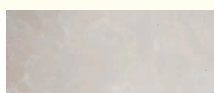

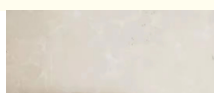

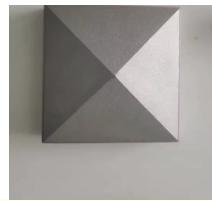

#### Product Specification

- Features: Lightweight, Strong, Corrosion-resistant
- Color Available: Silver, Bronze, Champagne ,Matte,Natural For Anodizing, RAL For Powder Coating
- Section Shapes: I, U, T, C, Z, L, H, Square, Round, Flat, Hollow, T-slot, And Other Complicated Shapes By Custom Design.
- Surface Treatment: Anodized
- Production Process: Extrusion, Cutting, Drilling, Milling, Etc.
- Product Name: Anodized Aluminum Oxide Profiles For Photo Frames, Aluminum Glass Profiles
- Thickness: Customized
- Colour: All Kind
- Highlight: **galvanized steel fence cover ,  
galvanized metal fence post covers ,**

## Product Description

### Product Description:

With our Anodized surface treatment, our Aluminum profiles are not only durable, but also look great. This treatment enhances the natural properties of Aluminum, making it more resistant to corrosion and wear and tear.

Our Aluminum profiles are versatile, making them the perfect choice for a range of applications. Whether you need profiles for windows, doors, curtain walls, heat sinks, or any other project, our profiles are up to the task.

We offer customized Widths to fit your specific needs. This means that you can get the exact size you need for your project, which can save you time and money.

Our Aluminum profiles are available in two main types: led aluminum profiles and extrusion aluminum profiles. Led aluminum profiles are specifically designed to house LED strips. They are available in a range of shapes and sizes to fit any LED strips you may have.

Extrusion aluminum profiles are perfect for a range of applications, including windows, doors, and curtain walls. They are designed to be durable and long-lasting, making them the perfect choice for any project.

Our Aluminum profiles are designed to meet the highest standards of quality, ensuring that you get a product that is reliable and long-lasting.

In summary, our Aluminum profiles are the perfect choice for anyone looking for a high-quality, customizable material that can be used for a range of applications. With our Anodized surface treatment and customized Widths, you can be sure that you are getting a product that is not only durable but also looks great. So whether you need led aluminum profiles or extrusion aluminum profiles, we have you covered.

### Features:

Product Name: Aluminum profiles

Material: Aluminum Alloy

Width: Customized

Usage: Construction, Industrial, Transportation, Etc.

Production Process: Extrusion, Cutting, Drilling, Milling, Etc.

Color: Silver

Features:

Extrusion aluminum profiles

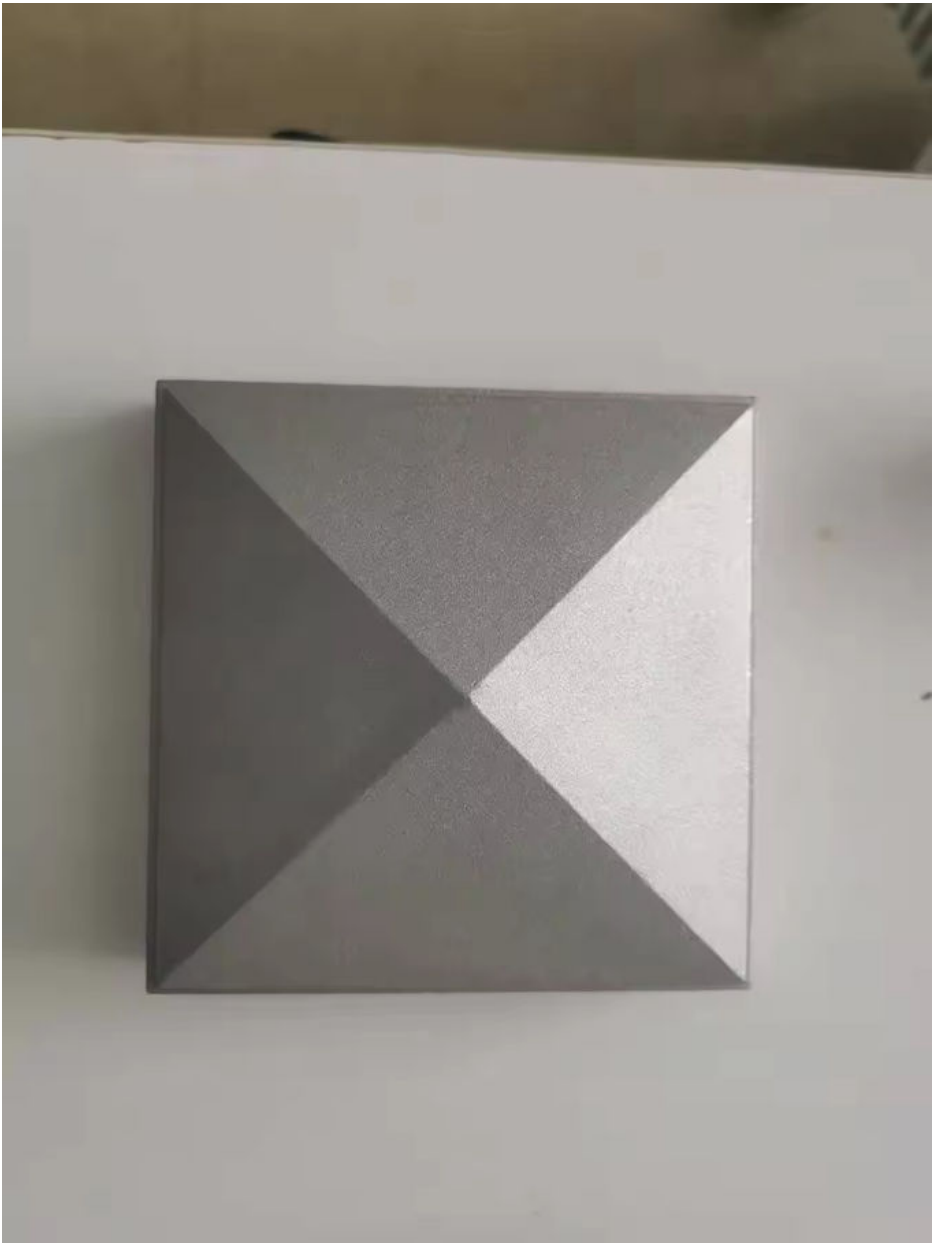

Custom extruded aluminum profiles

Standard extruded aluminum profiles

### Technical Parameters:

Technical Parameter	Description
Product Category	Aluminum profiles
Production Process	Extrusion, Cutting, Drilling, Milling, Etc.
Shape	Customized
Thickness	Customized
Width	Customized
Length	Customized
Surface Treatment	Mill finish, anodized, powder coated, electrophoresis, sand blasting etc. PVDF coating, wood grain painting, matted, polishing bright
Features	Lightweight, Strong, Corrosion-resistant
Application	Windows, Doors, Curtain Walls, Heat Sinks, Etc.
Usage	Construction, Industrial, Transportation, Etc.

### **Applications:**

The Defender brand offers high-quality aluminum profiles that are perfect for a wide range of applications. Our aluminum profiles come in several models, including Alloy 6063/6061/6005/6060, T5/T6. They are also CE ISO/IS90001 certified and originate from Shandong, China.

Our aluminum profiles are available for purchase with a minimum order quantity of 1 ton. They are priced reasonably, with prices ranging from \$3,000.00 for 1-19 tons to \$2,000.00 for orders of 1,000 tons or more. We also offer a supply ability of 2500 Ton/Tons per month and a delivery time of 10 days.

Our aluminum profiles come with protective packaging, such as blank protective film or heat shrink film, to ensure their safety during transport. Customized packaging is also available upon request. Our aluminum profiles come with an anodized surface treatment and can be customized in length based on your needs.

Our aluminum profiles are lightweight, strong, and corrosion-resistant. They are perfect for windows, doors, curtain walls, heat sinks, and more. Our standard aluminum profiles are suitable for most applications, but we also offer custom extruded aluminum profiles for unique requirements.

Whether you need standard extruded aluminum profiles or customized options, Defender has you covered. Contact us today to learn more about our aluminum profiles and how they can benefit your business.

### **Support and Services:**

Our technical support team is available to assist with any questions or issues related to our aluminum profiles product. We offer a range of services, including:

- Technical consultation and advice

- Custom profile design and development

- Product testing and analysis

- Installation and maintenance support

- Post-sale customer service

We pride ourselves on providing top-notch support and services to ensure our customers are satisfied with their aluminum profile products. Contact us for more information.

## Packing and Shipping:

### Product Packaging:

The aluminum profiles will be packaged in strong, durable cardboard boxes to ensure that they arrive at their destination in perfect condition. Each box will be clearly labeled with the product name, dimensions, and quantity.

### Shipping:

We use reliable and trusted shipping companies to ensure that your order is delivered quickly and safely. Shipping options and prices will be displayed at checkout. Orders will be dispatched within 1-2 business days of payment confirmation.

## FAQ:

### Q: What is the brand name of the Aluminum profiles?

A: The brand name of the Aluminum profiles is Defender.

### Q: What are the model numbers available for the Aluminum profiles?

A: The model numbers available for the Aluminum profiles are Alloy 6063/6061/6005/6060, T5/T6.

### Q: What certifications do the Aluminum profiles have?

A: The Aluminum profiles are CE ISO/IS90001 certified.

### Q: Where are the Aluminum profiles manufactured?

A: The Aluminum profiles are manufactured in Shandong, China.

### Q: What is the minimum order quantity for the Aluminum profiles?

A: The minimum order quantity for the Aluminum profiles is 1 ton.

### Q: What is the price range for the Aluminum profiles?

A: The price range for the Aluminum profiles is:

- 1-19 tons: \$3,000.00
- 20-99 tons: \$2,600.00
- 100-999 tons: \$2,400.00
- >= 1000 tons: \$2,000.00

### Q: What is the supply ability of the Aluminum profiles?

A: The supply ability of the Aluminum profiles is 2500 Ton/Tons per month.

### Q: What is the delivery time for the Aluminum profiles?

A: The delivery time for the Aluminum profiles is 10 days.

### Q: What are the packaging details for the Aluminum profiles?

A: The packaging details for the Aluminum profiles are:

1. Expose surface: Packed with blank protective film or customized
2. Outside protection: Heat shrink film to cover and protect. / Kraft paper to use.
3. Packed according to customers' requirement.

9~11tons/20'GP container , 20~28tons/40'HQ container.
