### Product Description

#### Product Description:

The Aluminum Privacy Fence is not just aesthetically pleasing but also functional. It serves as a metallic isolated enclosure that will provide you with the privacy you need. Whether it's to secure your property, protect your family, or simply enjoy a peaceful and secluded outdoor space, this fence is the perfect solution.

Made from high-quality aluminum, this privacy partition is built to last. Aluminum is known for its durability and resistance to rust, which makes it perfect for outdoor use. The fence is also powder-coated, which adds an extra layer of protection against the elements. You can be sure that this fence will withstand the test of time, providing you with the privacy and security you need for years to come.

The Aluminum Privacy Fence is not only functional but also versatile. It can be used for both indoor and outdoor applications, making it perfect for homes, businesses, and public spaces. The sleek and modern design will complement any decor, adding a touch of sophistication to your surroundings.

So, if you're looking for an aluminum secluded fence that is both stylish and functional, look no further than our Aluminum Privacy Fence. It's the perfect solution for anyone who wants to enjoy a peaceful and private space without sacrificing style.

#### Applications:

The Aluminum Privacy Fence is perfect for creating an aluminum barrier screen in both residential and commercial settings. The metallic isolated enclosure allows for privacy and security while maintaining an elegant aesthetic. This product is ideal for use in outdoor spaces such as patios, gardens, and balconies, providing a sleek design that enhances the overall look of the area.

With a supply ability of 7 days and a delivery time of 15 days, the Aluminum Privacy Fence is a reliable and efficient option. It comes packaged in a wooden box for secure transportation and has a weight capacity of 250 pounds. The width and height of the aluminum private barrier can be customized to fit any space, making it a versatile option for a variety of environments.

The Aluminum Privacy Fence is weather-resistant and durable, making it a great option for outdoor use. Its surface is powder-coated, ensuring long-lasting protection against the elements. This product is perfect for use in residential areas where privacy is essential. It is also an excellent option for commercial spaces such as restaurants, cafes, and hotels.

Payment terms for the Aluminum Privacy Fence are flexible, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The product is available in a variety of colors to fit any design scheme and is an excellent option for anyone seeking a modern, sleek look for their outdoor space.
